C-LOS01019T1/T2 1/18 Mini-T 2WD Brushless Stadium Truck Red / Blue

Reinvented with modern technology and Team Losi Racing engineering, the Losi Mini-T 2.0 1/18th-scale Brushless 2WD Truck honors the heritage of the original Mini-T with features and options never dreamed of back in the day. It may be small, but the powerful performance of the Brushless 2-in-1 motor/ESC configuration mirrors 1/10 th-scale size vehicles. It features a mid-motor configuration for better balance, rear step pin and front directional tyres, and a full range of option parts all in a total ready-to-run package. The Mini-T suspension geometry is based on the high-end racing TLR 22 platform. Plus, the Dynamite 7.4V 2S 800mAh 50C Li-Po battery provides plenty of power and the 2.4Ghz radio system keeps you in control.
