

**A-EFLU15250** UMX Pitts S-1S BNF Basic with AS3X and SAFE Select

The aerobatic biplane's proven design and highly responsive controls have made it a potent competition aircraft for decades. Due to its overwhelming popularity, E-flite has brought back the UMX Pitts S-1S with updates and upgrades that make it the easiest to fly, most convenient, and most affordable Pitts model yet! It now includes optional-use SAFE Select, is both 2S and 3S compatible, and provides real-time battery voltage telemetry to compatible Spektrum AirWare equipped transmitters. Because of its ultra-micro size, the UMX Pitts S-1S can be flown indoors in gymnasiums and other suitable spaces, or outdoors in many yards, parks, and sports fields. The E-flite UMX Pitts S-1S makes it easier than ever for a wide variety of pilots to enjoy an unmatched biplane flying experience!

**FEATURES**

- An Aviat Aircraft Company officially licensed scale replica of the iconic aerobatic design
