

C-ARA4105V4T1/T2 VORTEKS 4X2 BOOST Stadium Truck Red/Gunmetal
C-ARA4105SV4T1/T2 VORTEKS 4X2 BOOST with Charger & Battery Red/Gunmetal

If you're looking for your first hobby-quality RC basher vehicle, nothing else compares to ARRMA 4X2 BOOST 550 MEGA Brushed 2WDs. It's not just the characteristic ARRMA speed and durability that sets them apart. Based on the proven ARRMA 4X4 platform, ready-to-run 4X2 BOOST 550 MEGA Brushed 2WD vehicles can be upgraded easily to 4-wheel drive and 3S brushless power whenever you're ready. What's more, they also offer great value.

Even without those upgrades, the VORTEKS 4X2 BOOST 550 MEGA Brushed 2WD stadium truck can reach speeds of 30+ MPH in optimum conditions using optional gearing. For all-terrain toughness, it includes a strong composite chassis and retained hinge pin plates; steering with more clearance for stones; a castellated slipper pad and sliding gear mesh; and rubber shielded bearings throughout. The VORTEKS 4X2 BOOST is engineered to outlast other beginner-level bashers.

FEATURES

- 2-Wheel drive 4X2 transmission that's upgradable to 4X4 (using 4X4 BOOST Transmission Upgrade Set, ARA210003)
- Spektrum 2.4GHz SLT2 transmitter with 50/75/100% throttle modes
- Spektrum SLT 2-in-1 40A ESC & Receiver
- Spektrum Smart 8.4V 3300mAh 7-Cell Hump NiMH Battery**
- Spektrum S120 USB-C Smart Charger**
- AA transmitter batteries included
- MEGA 550 12T brushed motor
- Spektrum S650 waterproof digital servo offering 84 oz-in of torque
- Metal internal geared diff
- 1.35 module input and main diff gear teeth
- Strong composite chassis with extended height dirt defenders
- Impact absorbing bumpers
- Steering system with stone clearance
- Easy-access modular design — power, diff, and electronics modules can be removed for maintenance quickly and easily
- Double-wishbone suspension front and rear for great handling
- Vented dBoots KATAR tyres that disperse water for improved durability

NEEDED TO COMPLETE

- ARA4105V4T1/T2**
- 7-Cell NiMH hump pack or 2S LiPo***
 - Compatible Charger
 - LiPo Safe Charging Bag
- ARA4105SV4T1/T2**
- USB Power Adapter with QC 2.0 / 3.0 (18W+)**

IN THE BOX

- (1) VORTEKS 4X2 BOOST 550 MEGA Brushed 1/10 2WD Stadium Truck RTR
- (1) Spektrum SLT 2-in-1 40A ESC & Rx
- (1) MEGA 550 12T Brushed Motor
- (1) Spektrum 2.4GHz SLT2 Transmitter
- (1) Spektrum S650 WP Digital Servo
- (1) S120 USB-C Smart Charger**
- (1) Spektrum Smart 8.4V 3300mAh 7-Cell Hump NiMH Battery**
- (4) AA Transmitter Batteries
- (1) Product Manual
