

SCX24

THE NEW KING OF THE HILL

C-AXI00007T1/T2 1/24 SCX24 Dodge Power Wagon 4WD RTR Orange/Green

The SCX24 1940s Dodge Power Wagon delivers strong trail performance at a great value. It has the looks of the full-size classic and brings new features to the SCX24 platform, including smooth oil-filled shocks and high-performance Pro-Line wheels and tyres. The Axial SCX24 1940s Dodge Power Wagon offers a unique take on this off-road classic, as a custom 4-door RC crawler built on the proven, go-anywhere SCX24 platform. It's an essential addition to any Axial fan's collection of SCX24 rigs, and the perfect choice for everyone who wants performance and value in an RC crawler. Everything you'll need is included in the box — a Spektrum SLT2 2.4GHz radio, Spektrum 350mAh 2S 30C 7.4V LiPo battery, handy Spektrum USB LiPo charger, and even four AA batteries for the transmitter. The value and performance make the SCX24 1940s Dodge Power Wagon an ideal RC rock crawler for anyone who's eager to hit the trails with a classic American truck.
