

BUILD IT... BASH IT!

C-ARA3230SKT1 1/10 GORGON MT Ready-To-Assemble Kit (with battery/Charger) Gunmetal

Build the ARRMA® GORGON™ MT 2WD RTA (Ready-to-Assemble) Kit in about an hour — then proudly unleash the RC monster you made! It's fully equipped with a factory-finished body plus a Spektrum™ Smart NiMH battery and Smart USB charger for safe, easy charging.

Get more fun out of your first — or next — RC basher by building it yourself from the 1/10 scale ARRMA® GORGON™ MT 2WD RTA (Ready-to-Assemble) Kit! Just follow the step-by-step instructions to assemble the factory-built modules, mounted tyres, and fully finished body into an eye-popping RC monster truck that's super-tough, loaded with attitude, and ready to start bashing in about an hour or less. It's a great family project and an exciting way for kids to learn building skills that can be applied to many other hobby projects.

Includes NiMH Battery and USB-C Charger
