

SPORTY LITTLE NUMBER!

A-EFLU32050 UMX Conscondo BNF Basic with AS3X and SAFE Select

The E-flite UMX Conscondo is a scaled-down, ultra-micro version of the Conscondo Evolution 1.5m! As the most powerful, capable, and fun to fly version yet, the Conscondo Evolution took the market by storm and quickly became one of the best-selling and most popular E-flite models ever. It delivered a unique blend of soaring, sport, and aerobatic flight performance that made it a favorite for sport pilots and glider enthusiasts alike. And now, the UMX Conscondo makes it possible to enjoy that same flight experience in more places and smaller spaces from large yards to parks, sports fields, and beyond! It's even more affordable and convenient - while also being easy to fly - which makes it a perfect choice for a wide range of low-time to experienced pilots.

FEATURES

- Scaled down from the popular Conscondo Evolution 1.5m for soaring, sport flying, and high energy aerobatics in more places and smaller spaces
- Removable wing with quarter turn thumbscrew for even more convenient storage and transport in the box with a handle
- Powerful 2S and 3S compatible brushless power system with outrunner motor and folding propeller
- Composite reinforced airframe with strong and precise ball-link equipped linkages
- Real-time battery voltage telemetry with compatible Spektrum transmitters
- Built-in Spektrum receiver with industry-leading 2.4GHz DSMX technology
- The unmatched stability and locked-in feel of exclusive AS3X technology
- Easier to fly with optional-use SAFE Select flight envelope protection
- Optional-use flaperons and spoilerons for added capabilities
