

B-PRB08051T1/T2 1/6 24" Jetstream Jet Boat RTR Shreddy / Mojo

With our 1/6 scale Jetstream RTR, Pro Boat brings to RC what the real kits bring to full-size jet boating — the freedom to send it almost anywhere, and the thrill of always coming out on top. This is the first RC jet boat built for bashing. It's meant to be thrown around in rough water, whether two inches or two hundred feet deep. Bring on the whitewater, streams, and jumps. You're ready for anything with the raddest RC boat on the planet!

Stem to stern, the 24-inch Jetstream is engineered to outmatch any other RC boat that tries to do the same feats. The jet pump propulsion system's reverse gate is just one example. Use it to back your Jetstream off a trailer or as a quick braking function out on the water. It's one of many features that perfectly capture the scale look and feel of a full-size boat.

FEATURES

- High-performance, water-cooled brushless system
- Durable composite impeller and intake grate
- Powerful jet pump with adjustable nozzle trim
- Full length stern ride plate with adjustable trim tabs
- Reverse gate for realistic manoeuvring
- Stainless steel wear ring for extreme durability
- SSL (Strap/Slide/Lock) quick battery swap system
- Officially licensed liveries from Shreddy and Mojo
- Roll cage, full cockpit, steering wheel, deck material, and simulated speakers
- Scale poseable driver figure inspired by Blake Wilkey
- Waterproof front and rear LED light bars
- Sturdy, rigid ABS main hull with armor-plated underside
- Rust-resistant stainless steel hardware
- High-quality Spektrum SLT3 radio and electronics
- Optional upgrades available

NEEDED TO COMPLETE

- (1) 14.8V 5000mAh 4S 50C Hardcase LiPo Battery with EC5 or IC5 Connector
- (1) LiPo Battery Charger

IN THE BOX

- (1) 1/6 24" Jetstream Jet Boat RTR
- (1) Spektrum SLT3 3-Channel Radio
- (1) Spektrum SLR300 Receiver
- (1) Spektrum 100A Brushless Water-cooled Marine ESC
- (1) Spektrum Firma 4068 1600KV Brushless Marine Motor
- (1) Spektrum S603 Standard Analog Waterproof Servo
- (1) Product Manual
- (1) AA Transmitter Batteries
- (1) Boat Stand
