

A-EFLU53550/A-EFLU53550Y UMX WACO on BNF Basic White / Yellow

The E-flite UMX WACO has been updated and upgraded to be an even easier and more fun to fly tribute to the revered biplane! It's equipped with optional-use SAFE Select, is both 2S and 3S compatible, plus provides real-time battery voltage telemetry to compatible transmitters. And because of its ultra-micro size, the UMX WACO can be flown indoors in gymnasiums and other suitable spaces, or outdoors in many yards, parks, and sports fields! It's an affordable, convenient, and easy to fly replica of the modern-day classic that's also available in two trim scheme colour options.

FEATURES

- An licensed scale replica of the modern day yet classic YMF-5 biplane design
- The most affordable, convenient, capable, and easiest-to-fly WACO model yet
- More powerful 2S and 3S-compatible outrunner motor and ESC
- Compatible with the Spektrum DXS transmitter
- Real-time battery voltage telemetry with compatible Spektrum transmitters
- Spektrum receiver with industry-leading 2.4GHz DSMX technology
- The unmatched stability and locked-in feel of exclusive AS3X technology
- Easier to fly with optional-use SAFE Select flight envelope protection
- Completely factory-assembled and ready to fly right out of the box
- Factory-finished with a scale trim scheme available in two colour options
- Scale details including simulated flying wires and a pilot figure with a scarf
