

C-ARA3505T1/T2/T3 1/10 VORIEKS 223S DSC RTR Stadium Truck Yellow / Blue / Pink

Experience everything you want in a brushless stadium truck with the 1/10 scale ARRMA VORIEKS 223S BLX 2WD. This ready-to-run basher combines aggressive styling, rugged durability, and upgrade-free performance that grows with your skills.

Designed for newcomers to brushless bashing, it supports both 2S and 3S LiPo batteries. Start with 2S for speeds over 35 mph, and upgrade to 3S for 50+ mph action—no modifications needed.

The included Spektrum SLT2 radio features adjustable throttle limits (50%, 75%, 100%) for safe speed control as you build confidence. Spektrum's Dynamic Stability Control (DSC) enhances handling with four selectable modes, helping you stay in control on any surface.

From grass to pavement, its wide stance, responsive handling, and high-traction dBoots tyres make it easy to drive hard. A durable chassis with oil-filled shocks and waterproof electronics ensures lasting performance.
