

MORE SPEED. MORE CONTROL. MORE GORGON!

C-ARA3530T1/T2 1/10 GORGON 223S 2WD RTR MT, Blue+Black / Red+Black

The ARRMA GORGON 223S 1/10 2WD Brushless Monster Truck takes the popular GORGON platform to the next level with powerful brushless performance and 50+ MPH speed. Ready for 2S or 3S LiPo power straight out of the box, it features a Spektrum 4000Kv brushless motor, waterproof electronics, and durable metal gears for confident bashing in all conditions. Dynamic Stability Control (DSC) improves handling and control, while the integrated wheelie bar delivers easy wheelies on demand. Designed for beginners and experienced drivers alike, the GORGON 223S is built for fast, tough, and fun monster truck action.
