## C-ARA2104KT1 1/16 MOJAVE GROM 4X4 RTA KIT Brushed Desert Truck

The ARRMA MOJAVE GROM RTA Kit is perfect for drivers who want the satisfaction of building their own RC truck before hitting the throttle. With many complex parts already factory-assembled, it offers an approachable but rewarding build that can be completed in a dedicated day. Organised parts bags, included tools, a step-by-step guide, and supporting video content help make assembly straightforward. Everything needed to build and run is in the box, including a Spektrum Smart 1400mAh 2S LiPo battery, S10 Smart G2 Mini USB-C charger, SLT2 2.4GHz transmitter, AA batteries, MEGA 380 brushed motor, and waterproof Spektrum SLT 2-in-1 ESC/receiver. Based on the proven ARRMA 4WD platform, it features oil-filled shocks, dBoots Fortress tyres, metal gears, hex hardware, impact-absorbing bumpers, clipless body retention, and 20+ MPH performance. Just add polycarbonate spray paint and a USB power adaptor.
